## HERE I AM TO WORSHIP [C]

### Verse 1

*C*                *G*                                *Dm7*  
Light of the world, You stepped down into darkness  
*C*                *G*                                *F*  
Opened my eyes, let me see  
*C*                *G*                                *Dm7*  
Beauty that made this heart adore You  
*C*                *G*                                *F*  
Hope of a life spent with You

### Chorus

*C*    *G/h*  
Here I am to worship, here I am to bow down  
   *C/e*    *F*  
Here I am to say that You're my God  
   *C*    *G/h*  
You're altogether lovely, altogether worthy  
   *C/e*    *F*  
Altogether wonderful to me

### Verse 2

*C*                *G*                                *Dm7*  
King of all days, Oh so highly exalted  
*C*                *G*                                *F*  
Glorious in heaven above  
*C*                *G*                                *Dm7*  
Humbly You came to the earth You created  
*C*                *G*                                *F*  
All for love's sake became poor

### Bridge

*G/h*    *C/e*                                *F*  
I'll never know how much it cost  
                 *G/h*    *C/e*    *F*  
To see my sin upon that cross
