## IN YOUR PRESENCE [\*D]

### Verse 1

*Hm*        *G*        *Em7*                    *A*  
Father, I am waiting, I need to hear from You  
*Hm*                            *G*        *Em7*                    *A*  
To know that You're approving of what I say and do  
*F#m*                            *Hm*        *G*    *A*  
Cause nothing really satisfies like when You speak my name  
*F#m*                            *Hm*                    *G*    *A*  
So tell me that You'll never leave (and) everything will be okay

### Chorus

*G* *D/f#* *A*                    *Hm*  
In Your presence all fear is gone  
*G* *D/f#* *A*  
In Your presence  
*G* *D/f#*                    *A*                    *Hm*  
In Your presence, it's where I belong  
*G* *D/f#* *A*  
In Your presence

### Verse 2

*Hm*        *G*        *Em7*                    *A*  
Father, I'm returning to things I used to do  
*Hm*                            *G*        *Em7*                    *A*  
Cause somewhere on this journey I think I lost hold of the truth  
*F#m*                            *Hm*        *G*    *A*  
Cause nothing really satisfies like when You speak my name  
*F#m*                            *Hm*                    *G*    *A*  
So tell me that You'll never leave (and) everything will be okay
