## OBSESSION [\*D]

### Verse 1

*Hm*            *A*                    *G*        *Em*  
What can I do with my obsession?  
*Hm*            *A*                    *G*        *Em*  
With the things I cannot see  
*Hm*            *A*                    *G*        *Em*  
Is there madness in my being?  
*Hm*            *A*                    *G*        *Em*  
Is it wind that blows the trees?  
*Hm*            *A*    *G*        *Em*  
Sometimes You're further than the moon  
*Hm*            *A*    *G*        *Em*  
Sometimes You're closer than my skin  
*Hm*            *A*    *G*        *Em*  
And You surround me like a winter fog  
*Hm*                                    *A*    *G*        *Em*  
You've come and burned me with a kiss

### Chorus

*G*    *A*                    *D/f#*                    *G*    *A*                    *D*  
And my heart burns for You... And my heart burns for You  
---  
(                    *G*    *A*                    *D/f#*                    *G*    *A*                    // → V2)  
(And my heart burns for You... And my heart burns // → V2)

### Verse 2

*Hm*            *A*                    *G*        *Em*  
And I'm so filthy with my sin  
*Hm*            *A*                    *G*        *Em*  
I carry pride like a disease  
*Hm*            *A*    *G*    *Em*  
You know I'm stubborn God and I'm longing to be close  
*Hm*            *A*                    *G*        *Em*  
You burn me deeper than I know  
*Hm*            *A*                    *G*        *Em*  
I feel lonely without hope  
*Hm*            *A*                    *G*        *Em*  
I feel desperate without vision  
*Hm*            *A*    *G*        *Em*  
You wrap around me like a winter coat  
*Hm*                                    *A*    *G*        *Em*  
You come and free me like a bird
