Verse 2
```
    C      C/h      Am  G      F           G     C

```

```
          C       C/h       Am       G           F    G     C

And though years have come and years have gone we're still waiting for the rain
```

```
Oh but I can see the clouds gathering now: Are you ready, are you ready for the rain
